This historic heritage building is made of 1900's brick and has a dramatic interior. Guests can relax and watch their favourite sport on high definition televisions from every angle of the restaurant. Try tasty Italian dishes such as Insalate, Pizzas, Risottos, Bruschetta, and flavourful pastas. These dishes are followed by main dishes such as Fraser Valley Pork Ribs (Costine di Maiale Arroste), Hamburger classico con patate fritte (Popular seasoned classic hamburger with zesty French fries), and Ling Cod con purea di prezzemolo (Ling Cod with vegetables.)

There is an extensive list of fine Italian wines, 16 different draft beers, hand crafted colourful cocktails, and 40 artisanal beers. Visitors will love this eclectic dining experience. Fine cuisines, fine dining and sports! What more can anyone ask for?!

Reservations can be made for groups of 10 or more people, subject to availability. The Red Card Sports Bar and Eatery is part of and right around the corner from the Moda Hotel. The intersection is Smithe Street and Seymour Street, right in the centre of the city.
