Red Card Sports Bar

Friday, December 11th 2009

What New from the owners of Cibo, our Best New Restaurant in Canada, Red Card Sports Bar is a grownup way to catch the game (the high ceilinged room features slick leather banquettes and 18 flat-screens). **Why** The pastas and paninis are exceptional (thanks to deft touch of executive chef Neil Taylor), but go for the pizza made in a wood-burning pizza oven imported from Italy.
