Red Card Sports Bar + Eatery

Vancouver (Dec.18.09)

While our knowledge of soccer is limited to Zidane's legendary head-butt, we do know there's nothing better than comfort food and a boyfriend who's in a good mood because the Canucks are (actually) winning.

Red Card Sports Bar + Eatery, a new spot from the team at the award-winning **Cibo Trattoria** and **Uva Wine Bar**, features all of these things, plus 18 HDTVs mounted in a retro-mod room in a 1908 heritage building.

For dinner, try one of 30 bottled or 16 draft beers with **fried risotto balls** (\$8) or **breaded chicken wings** (\$8), then follow with a classic Italian dish, like the **osso bucco alla Milanese** (\$22).

The score? Who knows—but this is a sure win.
